

ASSEMBLY TABLE PERMIT

Instructions:

1. Fill out this form legibly in dark ink.
2. Work pieces **can be dried for 24 hours on the table and must be moved** to project parking thereafter.
3. Attach it to your project (**blue tape falls off**).

THIS PERMIT MUST REMAIN VISIBLY ATTACHED TO THE PROJECT WHILE IT IS STORED

By attaching this form to my project, I agree to store my property according to The Bodgery's Standing Rules. I will make sure it is not an obstacle to others in the space before I leave the Bodgery for the day.

I understand that if my project remains after the permit expires (and I have not filled out a new permit), it becomes property of the Bodgery and can be moved, recycled, or thrown away.
