

# PARKING PERMIT

Owner: \_\_\_\_\_ Phone: (\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_

Email: \_\_\_\_\_

Start Date: \_\_\_\_/\_\_\_\_/20\_\_\_\_ End Date: \_\_\_\_/\_\_\_\_/20\_\_\_\_ (14 Days Max)

Property Desc: \_\_\_\_\_

\_\_\_\_\_

Storage Location: \_\_\_\_\_

(Must not be on a work surface and must not obstruct walkways or tool access.)

**Safe Storage Notes** - Will the project be damaged or unsafe when near an open flame, water, sawdust, etc? How should this project be safely stored if someone finds it left out? Explain.

\_\_\_\_\_

I, the undersigned, will store my property according to The Bodgery's Standing Rules. I will make sure it is not an obstacle to others in the space while stored. I understand that if my project remains after the permit expires, (and I have not asked for an extension), it becomes Bodgery property and can be moved to the Hack Rack, recycled, or thrown away.

Owner Name (please print): \_\_\_\_\_

Owner Signature: \_\_\_\_\_ Date : \_\_\_\_\_

Certified by Board Member (please print): \_\_\_\_\_

Board Member Signature: \_\_\_\_\_ Date: \_\_\_\_\_

(Not valid until signed by a Board member.)

**THIS PERMIT MUST BE VISIBLY ATTACHED TO THE PROJECT WHILE IT IS STORED**
