

PARKING PERMIT

Instructions:

1. Fill out this form legibly in dark ink.
2. Attach it to your project (**blue tape falls off**).

THIS PERMIT MUST REMAIN VISIBLY ATTACHED TO THE PROJECT WHILE IT IS STORED

Member name			
Phone number		Email address	
Start date		End date (max of 14 days)	
Project description			
Store ONLY in Project Parking area.	<i>If other location needed, please describe where and why needed.</i>		
Special handling instructions?			

By attaching this form to my project, I agree to store my property according to The Bodgery's Standing Rules. I will make sure it is not an obstacle to others in the space before I leave the Bodgery for the day.

I understand that if my project remains after the permit expires (and I have not filled out a new permit), it becomes property of the Bodgery and can be moved, recycled, or thrown away.
